USSVI Creed

Nearly 4,000 submariners have sacrificed their lives on the altar of American freedoms. It is the primary mission of USSVI to perpetuate their memory through memorials and "tolling the boats" memorial services. Per the USSVI Constitution Article III the Purpose/Creed consists of three sections:

Sections of the USSVI Creed

Creed:

Section 1: To perpetuate the memory of our shipmates who gave their lives in the pursuit of their duties while serving their country. That their dedication, deeds and supreme sacrifice be a constant source of motivation toward greater accomplishments. Pledge loyalty and patriotism to the United States of America and its Constitution.

Camaraderie

Section 2: In addition to perpetuating the memory of departed shipmates, USSVI provides a way for all Submariners to gather for mutual benefit and enjoyment. The common heritage as Submariners is strengthened by camaraderie. USSVI supports a strong United States Submarine Force.

Perpetual remembrance

Section 3: The organization engages in various projects and deeds that bring about the perpetual remembrance of those shipmates who have given the supreme sacrifice. USSVI also endeavors to educate all third parties it comes in contact with about the services United States submariners performed and how the sacrifices of lost shipmates made possible the freedom and lifestyle Americans enjoy today.

Commander's Stateroom

The end of summer is fast approaching and it has been a busy one. We have done our summer visit to Victory Junction and that as always is very rewarding and humbling for everyone. The kids were very receptive of our Honorary Submariner caps and certificates and they all seemed

to enjoy the Victory Junction excitement. Another Bilge Rat Production is on the books and it went extremely well. Our adoring fans are so happy to see us return again this year. Next month we will be on the farm at Jack's house and I am looking forward to that. A few of us will be attending the National Convention and I am sure that will be a great week. Like many of you, my vacations are usually in the fall or spring. (Less kids at the buffet.)

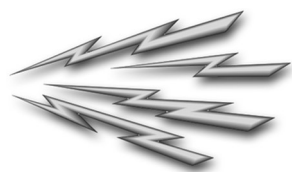

We have a few new members so make sure that if you see someone you don't recognize, go up and introduce yourself. I do it every month....to the same guys. (Memory isn't what it used to be.) Look forward to seeing all of you August 22.

Carolina Piedmont ROCKS, well another month has come and went. Let's start off by welcoming 2 new members, Don Haseley WWII Subvet qualified in 1945 and Cal Bolton qualified in 1964. Now for the next item, please mark September 26th on your calendar that is the date for our annual picnic/gathering here at Lady J and my place. I think this either the 8th or 9th time we

hosted this event . This year we will have a few special events. Please bring a covered dish, comfortable chair and bring your own beverage, the base is providing the meats. Base members were proud to visit with the campers at Victory Junction once again, this time we presented Kaps to about 75 as well as Honorary Submariner Certificates. Joel and Anna attended with Steve, Rick and I. Please let me know if you would like to attend this event. Now is the perfect time to renew your National as well as base dues, after the first of the year the National dues will increase, see Raymond Zieverink at the meeting or send your dues to him. Well that is about it for now, hoping to see

you at the next meeting the 22nd.

Member Introductions

There were 30 regular members present plus 2 new members (Don Haseley & Cal Bolton) who were attending their first Carolina Piedmont base meeting.

Checking the base roster listing of Carolina-Piedmont members with the addition of Cal and Don our base now stands at an even 100 members. Well Done, now keep on recruiting new folks!

Good of the Order

- Back-up Personnel for Base Chaplain

A call was put out again that we were still looking for a replacement for our Base Chaplain Ray Fritz and during the meeting Tom Hulme answered that call by volunteering to takeover for Ray. A big thanks goes to Tom Hulme and a bigger thank you goes out to Raymond Fritz who has done a "Four Oh" job during his many years while serving as our base chaplain.

July Meeting Minutes Continued

- National Dues

Again the reminder goes out that the cost of our USSVI National membership dues will be going up by an additional \$5 next year. This will bring the yearly cost of National Dues up to \$25 per year. The cost increase is primarily due to the increased costs of producing the hardcopy version of the American Submariner quarterly magazine. It was mentioned also that members can sign up for multiple-year memberships (i.e. 3 or 5-year memberships) and they will receive a discounted fee verses the single-year renewal fee.

- National Convention

September is fast approaching and we were reminded that this year's USSVI National Convention will be held in Pittsburgh PA over the dates of September 7th thru 12th. Pittsburgh is home to the USSVI Requin Base and also berthed in Pittsburgh is the submarine USS Requin (SS-481).

- Bilge Rats

Coming up on Saturday August 8th is the next performance of the Carolina-Piedmont Bilge Rats production of Ned Sullivan, (a "southernized" version of the Ed Sullivan Show). The show will feature performances by the Elm Valley Boys and the Limitations and will be performed in Concord, NC.

- Museum Boats

Mike Hubbell reminded us to take the opportunity to tour any museum boats when we can. Mike mentioned the USS Cod (SS-224) in Cleveland Ohio near the Rock & Roll Hall of Fame also mentioned were the USS Drum (SS-228) located in Mobile Alabama and the USS Clamagore (SS-343) located at Patriot's Point near Charleston, SC.

- Schedule Changes to the November and December Base Meetings

November's meeting will be held on the third Saturday (Nov 21st) because the following weekend will be the Thanksgiving weekend.

December's meeting is also moved to the third Saturday (Dec 19th) because the following weekend will be the weekend after Christmas. December's meeting will be very brief followed by having a base dinner afterwards.

- Piedmont Periscope

Robert Schilke reminded all hands that submissions for the newsletter need to be sent to him no

later than August 15th.

Next Base Meeting

- The next meeting of the Carolina-Piedmont Base will be on August 22nd, 2015 at the VFW in Fort Mill. A pot-luck dinner will be served at 1730 hrs followed by the meeting which will start at 1900 hrs.

Motion to Adjourn

Navy Cooks

An Admiral visited one of the ships of the line under his Command.

While eating breakfast with the crew, he was impressed to see the Naval Insignia stamped on every biscuit. He went to the Chief Cook to ask him how this feat was done so it could be used on other ships under his Command.

The Chief replied, "I'd be glad to share that with you, Admiral. After each biscuit is cut, I just slap it here against my belt buckle which bears the Navy insignia."

Horried the Admiral exclaims, "That's very unhygienic!"

The Chief shrugs and replies, "Well, if that's the way you feel, Sir, I suggest you avoid the donuts."

Cold War Medal

Cold War Victory Medal

The Cold War Victory Medal is both an official medal of the National Guard and an unofficial military medal of the United States. It is awarded by the States of Louisiana and Texas, and in ribbon form only by the State of Alaska. In the medal's unofficial capacity, it can be purchased, but not worn in uniform. **It may be worn by any member of the United States military, or civilian employees of the federal government, who served in their positions honorably during the years of the Cold War, specifically September 2, 1945 to December 26, 1991.**

Background and history

In accordance with section 1084 of the National Defense Authorization Act[1] for fiscal year 1998, Congress commended the members of the Armed Forces and civilian personnel, who contributed to what the US government sees as their own historic victory in the Cold War, and authorized and instructed the then-Secretary of Defense, William Cohen, to prepare a certificate recognizing the Cold War service of qualifying members of the Armed Forces and civilian personnel of the Department of Defense and other government agencies. The certificate became known as the Cold War Recognition Certificate available by request of the individual, by all members of the armed forces and qualified federal government civilian personnel who honorably served the United States, anytime during the Cold War, which is defined as September 2, 1945 to December 26, 1991.

In October 2001, Congress passed the National Defense Authorization Act (NDAA)[2] for fiscal year 2002, which is signed into law on December 28, 2001 by President George W. Bush. In the NDAA approved by both houses and signed into law by the president, was a Sense of the Congress resolution that the Secretary of Defense should consider authorizing the issuance of a Campaign medal, to be known as the Cold War Service Medal, to each person who while a member of the Armed Forces served satisfactorily on active duty during the Cold War. The then-Secretary of Defense, Donald Rumsfeld, did not create such a medal.

The official US Navy web page states: "The Department of Defense will not be creating a Cold War Service medal" and that any commemorative medals made by private vendors are unauthorized on the military uniform.[3] At present the Cold War Victory Medal remains strictly commemorative and is unofficial other than for members of the Louisiana National Guard.

The Cold War Victory Medal is also referred to as the Cold War Commemorative Medal, Cold War Service Medal, or simply as the Cold War Medal. There are no devices or attachments authorized for the Cold War Victory Medal.

Various commemorative versions of the medal

The Cold War Victory Medal is also a civilian medal which may be privately purchased but is not distributed by the United States government. As such, the decoration is not presently authorized for wear on active duty military uniforms. However, the medal has been officially adopted by the Military Order of Foreign Wars of the United States and is thus frequently worn by U.S. military retirees, veterans and civilians on public holidays, parades and veterans functions. In this regard, the order of precedence of the Cold War Victory Medal is immediately after the lowest authorized U.S. award.

There are various versions of the medal privately struck by many different vendors. However, the only version which has been officially adopted by the Military Order of Foreign Wars has been the Cold War Victory Medal designed by Nadine Russell of the Institute of Heraldry. It has also been officially adopted by the American Cold War Veterans organization. The Germany Defense Veterans of America has also adopted and authorized this medal to all the members of the Germany Defense Veterans of America as this organization's wear of medals on the GDVA uniform.

From The COB—Joel Sparnon MM2(SS)

Can you believe it the summer is almost over? I can always tell in my house when summer is winding down because my kids start to grumble about the impending start of the school year. I am excited because I am ready to go along on at least one of our school visits and see what it is all about. Remember to continue your recruitment activities, and I still have business cards with the base information on them if you want them to hand out to perspective new members, see me at the meeting and I will give you some. I hope everyone enjoys the rest of the sum-

mer. Keep recruiting and I will see you at the meeting.

Joel Sparnon MM2/SS

Treasurer Note:

The CPB Treasurer and Back-up Treasurer will not be at the Sept 26 meeting and those wanting to pay their National and Base dues should do so at the August 22 meeting or wait until the Oct 24th meeting. This will greatly reduce any confusion for the person acting as treasurer for the Sept 26th meeting.

Thanks Raymond Zieverink,
Base Treasurer.

This Month's Message:

The Helmsman

Steer the ship of my life, good Lord, to the quiet harbor, where I can be safe from the storms of sin and conflict. Show me the course I should take. Renew me in the gift of discernment, so that I can always see the right direction in which I should go; and give me the strength and courage to choose the right

course, even when the sea is rough and the waves are high, knowing that through enduring hardship and danger we shall find comfort and peace.

God has said "I will never leave you; I will never forget you." So we can be sure when we say "I will not be afraid because the LORD is my helper." (Hebrews 13: 5-6)

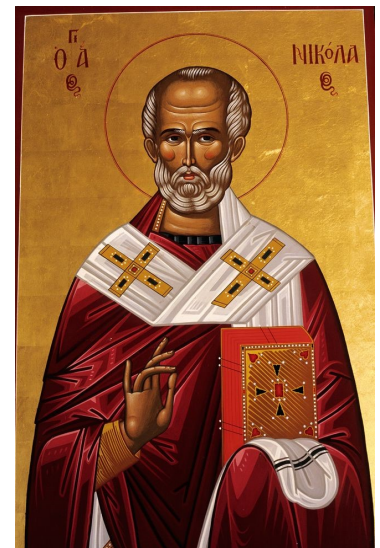

A Prayer for seafarers

Lord God, Creator of land and sea, bless those who work at sea. Be with them in fair weather and foul, in danger or distress. Strengthen them when weary, lift them up when down and comfort them when far from their loved ones. In this life, bring

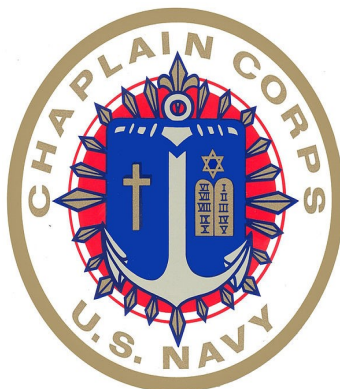

them safely to shore and, in the life to come, welcome them to your kingdom. For Jesus Christ's sake. Amen

For any prayer requests or special requests please see the COB.

Bilge Rat Productions

Become a “Bilge Rat”!

The “Bilge Rats”, as they have become to be known are looking for new volunteers to join there group of “traveling performers”. These are the Base members and Subvettes who travel to the various Assisted Living Homes around the area and put-on a “Halfway Night Show” for the local residents.

If you can sing, play an instrument, or just lip-sync like and want to have a good time like the rest of us, then you need to join in the fun. It really is rewarding. This will start our fifth season. We do skits, sing-a-longs, anything to get the “old folk” to have a good time and bring some much needed smiles.

Rehearsal for our

“Ned Sullivan Show”, an Ed Sullivan Show parody is now being held. If you and/or your spouse are interested, please contact Moe(SS) at 980-422-2749 in the late afternoon or early evenings. Or e-mail Moe(SS) at donutdad@att.net and he will return your call/e-mail.

Moe (SS)

Brothers:

This is a reminder to you that we now have can man: Steve Bell. Please bring your crushed aluminum cans to the meeting. The money the base makes goes to our National Scholarship Fund. Just deposit in tied down plastic bags into the back of Steve’s truck.

Thanks!

Jack

From the school visit coordinator:

We have picked up two new schools to visit with our Submarine Life question and answers: Fort Mill High School and Nations Ford High school. Both ROTC commanders are happy to have us visit their schools. We have just visited Nations Ford HS, and we will be visiting Fort Mill HS later this year. We also have York Technical H.S. as well coming up. Dates to follow....

If you have not yet visited a school for a session, now is your chance. See Jack for a place.

Piedmont Funnies Page

Oldies, but goodies!!!

1. Having passed the enlistment physical, Jon was asked by the doctor, "Why do you want to join the Navy submarine, son?"

"My father said it'd be a good idea, Sir."

"Oh? And what does your father do?"

"He's in the Army, Sir."

2. A new ensign assigned to submarines was eager to impress his commanding officer with all the knowledge he had picked up at submarine school.

After listening patiently for five minutes, the senior officer said: "Listen, it's simple. Add the number of times we dive to the number of times we surface. Divide that number by two. If the result doesn't come out even, don't open the hatch."

3. Why does the USMC put Marines on ships?

So the Navy has someone to dance with underway.

4. Submarines are safer than airplanes. Proof in the fact is there are more airplanes in the water than submarines in the air!

5. Little Willie asked his mother: "Mamma, don't sailors ever go to heaven?"

"Of course they do!" protested his mother. "What makes you ask?"

"There are so many sailors with beards but I never saw any pictures of angels with beards."

"Oh, that's because most men who go to Heaven get there by a close shave."

Meeting Dinners

Our dinners prior to our meetings are usually “pot-luck”. Our ladies, who take really good care of us and support our efforts as well as their own projects, put together a great meal.

It is pot luck, and everyone that attends the dinner should contribute something, whether home-made or store-bought.

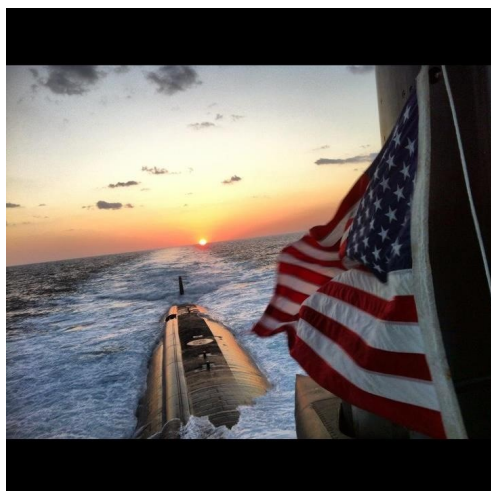

The meal also is one of our main fund raisers. A six dollar donation is suggested for each person eating. From that six dollars, a dollar goes to the USSVI Scholarship Fund. The remainder is divided between the Base membership and the SubVettes membership.

All in all, the money is put to good use supporting the activities of both groups. The meals are always great, and there are usually plenty for those who wants seconds.

So please, if you are going to attend the meal, please bring something and please contribute to our causes. You’re not going to get that great of deal at any restaurant. And you’ll be supporting great causes.

Deadline for the September issue will be the 15th. Thanks!
