Introductions

Harold "Butterbean" Dixon volunteered as recruiting officer and Base Chaplain.

Group elected to send a check for \$25 to Jim Myers for the parade float fund.

Jim Brincefield read two thank you letters; one from Dick Kanning for our support of the SOY program, the other from the Knights of Columbus for participating in the Flag Day program.

Butterbean told the group about the special deal in October for new USSVI members. They pay \$5 for base dues and the \$20 for national dues gets applied to next year.

He told the group that when we meet a subvet who isn't a member of USSVI that we must be diligent in getting a phone number or E-mail. He will do the rest in trying to recruit that person.

The group talked about possibly having a "Subvet Breakfast" open to all sub vets, not just base members. Date TBD.

Butterbean talked about the progress of the subvet license plate.

The group also discussed the possibility of moving meetings to a quarterly schedule.

Jerry Hawks mentioned that he needed a new USSVI ID card to use when asking for veteran discounts at stores.
