**OLD BUSINESS**

Howard Clark brought us up to the latest on the Field of Honor to be located in Colfax, NC. The Fund designated for Submarine Veterans has now attained the \$5,000.00 objective. There has been no change since the last report in March since the Foundation is still trying to figure out what to do with the funds already provided.

Howard Clark also brought up the fact that we have a Book of Remembrance to give to a woman who works at a Welcome Center in Marion, NC, whose father went down on a submarine during WWII. Plans were to give it to her during our Burnsville meeting however, she will be out of town.

Mike Runkle was going to look for the Frank Caulfield family so we could give them a Book of Remembrance, however, Mike was not present for our meeting so we will have to wait for a report.

Jim Schenk has also made a Book of Remembrance in honor of Jerald Gibbons which will be presented to family.

Dale Patterson provided us with the latest information the Highway Clean-up Program and the Veterans Helping Veterans Heal Program.

Dale said that there is a lot of info on Highway Clean-up Program on website. The local contact is the DOT. Apparently it would be easy to work with if we were to decide to go in that direction, however, there are a lot of rules and regulations. The lady in charge said that if we wish to pursue this that she would schedule a meeting for us.

Dale also said that the Veterans Helping Veterans Heal Program were very thankful for our donation of the canned good we provided. Jim Myers asked Dale to contact the woman in charge and ask her what she need as we all really want to contribute.

At this point, Jim Myers asked Bob Hopkins to bring us up to date on volunteering for at the VA Hospital services in Salisbury. Hoppy said that Salisbury is the VA key to get certified.

Carroll Gunter then suggested that we should pursue one of the programs and then go with it. Jim Myers agreed with him and asked for a vote. The consensus of the group as motioned by Howard Clark and seconded by Carroll Gunter was made in favor of the Veterans Helping Veterans Heal Program.

Next meeting on the agenda will be to see how we can help the Little League Baseball programs in our area of responsibility.

### **NEW BUSINESS**

The primary issue at this point of our meeting was about the tires blown out on the Torpedo Trailer in the last two parades; 2 going to Wilmington and 1 on the way to Nags Head. The NC bases have not donated to the trailer fund since October 2011. Coastal Carolina has already donated. A motion was made and passed for the Nathaneal Greene Base to donate \$200 of which matched the donations from both the Tarheel and Carolina Piedmont Bases.

At the SER Convention, SED 1 was rewarded with the Regional Directors District award again making it 4 in a row.

The Nathaneal Greene Base was given the honor of the Title of “2013 Holland Club Benefactor”. Jim Myers passed around a certificate for us to read.

### **GOOD OF THE ORDER**

We received an e-mail from the Thresher Base thanking us for the document and picture we prepared for their Memorial.

Chuck Jensen has two letters from the Scorpion Memorial Committee.

The Topeka-Jefferson City Base has developed a tri fold brochure for hand outs. It is primarily a list of all the boats that went down during WWII. A motion was passed and seconded that we did not need this program.

### **UPCOMING EVENTS**

May 17 to 18 is the Burnsville Memorial Meeting. Those planning to go you may find the information and registration on line [ncsubvets.com](http://ncsubvets.com).

May 27 is the Memorial Day parade in Thomasville. We are to be there in the morning.

Our next meeting is set for Saturday, July 6, 2013 at 1300 at the American Legion on Miller Street.

50/50 drawing: Gunter won the drawing for a total of \$76.00. He gave ½ to Joshua's Angels and ½ to our Base.

In closing, Jim Schenk found a man at the Troutman parade who said that his brother went down with the Scorpion. In contact with his two sisters after finding him in Charlotte, Jim has asked him if he would like to ride as an honorary guest in our Troutman parade this year.

At 2:40 p.m. Jim closed the meeting with a prayer and requested we all help with the clean up of our very good hamburger/hot dog, etc., meal.

Respectfully Submitted,

Edward Galaviz  
Secretary, Nathanael Greene Base
