USSVI Creed

Nearly 4,000 submariners have sacrificed their lives on the altar of American freedoms. It is the primary mission of USSVI to perpetuate their memory through memorials and "tolling the boats" memorial services. Per the USSVI Constitution Article III the Purpose/Creed consists of three sections:

Creed:

Section 1: To perpetuate the memory of our shipmates who gave their lives in the pursuit of their duties while serving their country. That their dedication, deeds and supreme sacrifice be a constant source of motivation toward greater accomplishments. Pledge loyalty and patriotism to the United States of America and its Constitution.

Camaraderie:

Section 2: In addition to perpetuating the memory of departed shipmates, USSVI provides a way for all Submariners to gather for mutual benefit and enjoyment. The common heritage as Submariners is strengthened by camaraderie. USSVI supports a strong United States Submarine Force.

Perpetual Remembrance:

Section 3: The organization engages in various projects and deeds that bring about the perpetual remembrance of those shipmates who have given the supreme sacrifice. USSVI also endeavors to educate all third parties it comes in contact with about the services United States submariners performed and how the sacrifices of lost shipmates made possible the freedom and lifestyle Americans enjoy today.

CO's Stateroom— Carolina Piedmont Base Commander Rick Petitt

Commander's Stateroom March 2017

March is here already and it is time to plan for all the events coming up this year. The next major conference coming up will be the Regional Convention in Kissimmee, Fla. That will begin May 11 and run through Sunday May 14. It should be a great event and I look for-

ward to seeing many of you there. Think of it as Spring Break for Baby Boomers. Immediately following will be our WWII memorial meeting in Burnsville, NC. This is always a fun gathering and it honors the WWII submarines lost at sea during that time. Unfortunately I will be unable to attend Burnsville, as I will be on the beaches of Aruba. Somehow I will find a way to enjoy that week any way.

Locally we will be doing a Bilge Rat show in Matthews this month and perhaps a few colors presentations in the next couple of months. Our color guard will also add the flag folding service to our repertoire soon so we could assist when needed.

Baseball season is coming up next so perhaps

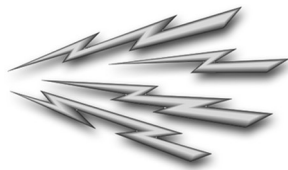

we could plan an outing to a ball game like we did with hockey this year. Also on Wednesday March 29 there is a Welcome Home Vietnam Veterans celebration at the Old JC Penny store on Jake Alexander Blvd in Salisbury. It starts at 11 AM and runs till 2 PM and is hosted by Rowan Hospice & Palliative Care. RSVP to 336-768-6157 ext 1622.

**XO's Stateroom —
Vice Commander
Jack Jeffries**

I am sure glad to see February come and go, it has been a rough time for Carolina Piedmont with the passing of two of our members, Hal Rutter and Don Duncan. Both will be missed by all. On the brighter side we have 5 members that will be inducted into the Holland Club at our March meeting, Paul Simerly, Clarence Jordan, Jay Andress, Joel Tuchfeld and John Rupertus, congratulations on reaching this milestone. . We had two Eagle Scout presentations and two Bilge Rat productions during the months of February and March. Steve,

Rick and Joel Sparnon and his wife made the children at Victory Junction happy once again. We are planning on another visit this summer, if you are interested in attending, let me know. We are getting ready for our school presentations during the spring, if you are interested in participating in this worth while program, please let me know, unfortunately they are held during the week during school hours and I know it is hard if you have a job. This program is really a good one and brings the Submariner story to the students. I hope that we have some of our members that plan to attending the Regional Conference in Orlando, there will be a lot of interesting information passed out that is geared to the future of our organization. Hope to see you at our meeting the 25th of March, VFW Ft. Mill, meal 1730 meeting 1900 jack

Note from the Editor,

The COB is taking some much earned leave this week caring for sick family members. He will follow up with a note in next month's issue.

Transition help!

1. Sleep on the shelf in your closet. Replace the closet door with a curtain. Two to three hours after you fall asleep, have your wife whip open the curtain, shine a flashlight in your eyes, and mumble "Sorry, wrong rack".

2. Repeat back everything anyone says to you.

3. Spend as much time as possible indoors and avoid sun light. Only view the world through the peep hole on your front door.

4. Renovate your bathroom. Build a wall across the middle of your bathtub and move the shower head down to chest level. Shower once a week. Use no more than 2 gallons of water per shower.

5. Buy a trash compactor and use it once a week. Store garbage in the other side of your bathtub.

6. Sit in your car for six hours a day with your hands on the wheel and the motor running, but don't go anywhere. Install 200 extra oil temperature gauges. Take logs on all gages and indicators every 30 minutes.

We wish to welcome John Bosanek (who qualified on USS Sargo) and his wife Donna back to join us again anytime.

Tonight, Tom Hulme also remembered our WWII Subvet member Hal Rutter who just departed on eternal patrol since last meeting. All rose and presented a hand salute to a special place set up for Hal tonight at his usual table spot at our meetings.

OLD BUSINESS

Member Call List

We continued a discussion about developing a member call list to periodically contact base members who haven't been seen at meetings to remind them just before upcoming meetings.

Base COB Joel Sparnon and Tom Kelly will work together to develop a list of locations where people live and combine that with the names of people who routinely show up to meetings; this will help to work out both a Member Call List and possibly a "Provide A Ride" list so that if a member doesn't have the capability to drive to meetings that someone in their area could maybe give them a ride to/from the meetings. That list will be out before next meeting so that Jack can start to make more localized lists available to our usual meeting attendees.

NEW BUSINESS

Name a Street verses Roadside Blue Star Marker verses Adopt-A-Highway

We continued discussion led by Zeke Rybczyk on the possibilities of having a road named after our organization. We realize this would be a long-term commitment to have this done. Other ideas were brought up regarding getting a garden club to sponsor us with a Blue Star Roadside Marker or simply volunteering our organization to perform the roadside pick-up service of known as Adopt-A-Highway. Zeke is inspiring us to continue discussion to sort out the possibilities of any of these selections. More to follow.

GOOD OF THE ORDER

Base Officer Nominations

Jack reported official nominations for the next two-year terms of base officers are now closed.

Nominees submitted are as follows:

Base Commander – Rick Petitt

February Meeting Minutes

Base Vice Commander – Jack Jeffries

Base Treasurer – Raymond Zieverink

Base Secretary – Tom Kelly

Voting will now take place on-line with your ballots emailed to our Election Master Dale Moses by next meeting in March. Write-in nominees will still be honored until next meeting.

Meeting Time Discussion

We had a discussion tonight regarding the possibly of adjusting our monthly meeting time during the winter months to an early afternoon time to allow persons who don't like to (or can't) drive in the dark to attend our monthly base meetings.

Some challenges exist to moving to an earlier time because the Bilge Rat performances are now held on the same day as our base meetings and are conducted earlier that same day.

Actions to mediate this problem are contained in tonight's Old Business segment above regarding the issuance of a Member Call List.

Bilge Rats-Update

Our next Bilge Rats show will be on Saturday Feb. 25th at the Crescent Heights Senior Living Center in Concord NC.

Hockey Game Evening with The Base

Dale Moses reported 41 tickets were sold for a gathering of base members at Bojangle's Arena on February 10th. Dale stated it was a real pleasurable evening (except for a dinner faux pas at the restaurant at the arena). Thanks again Dale for arranging for this event ... and especially for all that you do!!!

Color Guard Events, Eagle Scouts, Sub Education Programs-Updates

Jack and Rick performed a submarine education presentation this past month to the cadets at the JROTC unit at Nation Ford High School in Fort Mill SC. A thank you card was received from the unit for our visit to the school.

Dale reminded us our color guard will have the privilege of presenting the colors at the Charlotte' Knight's BB&T ballpark in May for the Memorial Day weekend. The date for this event is Saturday, May 27th.

Also we were notified that the next Massing of the Colors event will be held on April 30th at Northwestern High School in Rock Hill SC. Dale will be contacting members of the base color guard to determine their availability. It is also noted that anyone from the base can attend this event which is quite the patriotic affair.

Moonshine Mountain-Updates

John Markiewicz USSVI National Commander sent a Letter of Recognition to the Carolina Pied-

February Meeting Minutes

mont Base for their most generous Moonshine Mountain Memorial donation last year. Special recognition was also given to Ray Fritz whose matching donation really helped this effort significantly.

Dale continues to prompt us about the Halfway Night festivities when we meet on the 19th & 20th of May at Moonshine Mountain. Dale stated he himself has now joined as a dual-base member of the Asheville Base and they are also competing for the Halfway Night coveted Dirty Sock Award.

Dale detailed for us the weekend's show time opportunities that will include on Friday night a Jam Session, or Karaoke night – if they don't get enough folks to have a jam session. The Talent Show will be on Saturday night and there's where we need at least one more act/skit to fill the venue.

Dues -Update

Jack reported that our base membership as of the beginning of this year is now at 97 members.

OPEN IMC

Stars info from John Brough - we received a letter from a retired vet who comes through the Charlotte USO and he said that they were getting low on stars here. The vet also expressed a request that we send some stars to DC for their USO. John forwarded the letter to the President of the USO who in turn thanked us. John sent all the correspondence to Jack for our base record keeping.

A thank you note was received from the Boone Family for flowers that were sent to Sandra Myer's sister.

PIEDMONT PERISCOPE

All hands are reminded that any news items they want to be included or considered for the next issue of the Piedmont Periscope newsletter that all submissions need to be sent to Robert Schilke no later than the 15th of each month.

NEXT BASE MEETING

The next base meeting will be held on the fourth Saturday in March on the 25th at the Fort Mill VFW.

Here we are, half way through March 2017, but the last few days have felt more like we're only half way through January.....my tolerance to cold weather seems to get lower every year! I'm trying to justify to my lovely wife, that I need to have a two month "Sabbatical" to the Keys to help me with my "Intolerance" to the cold!! (Don't think I'll be able to close that deal until my lovely Bride retires and she can ride shot-gun on that adventure!)

Adventure has always been such a "Alluring Word".....seems I was taken captive by it back in the late sixties....."It's not just a job.....it's an Adventure!" Ah, but it was and it still is.....our entire life must be

looked at as an Adventure! Because after all, what is the pursuit of life? It should be wisdom, 28 And he said to man, "The fear of the Lord---that is wisdom, and to shun evil is understanding. JOB 28:28 NIV

So, in our daily pursuit of wisdom, the more we understand the more we should align ourselves in our walk with God! As we make our way through March and head into April, we need to prepare ourselves to celebrate Easter. All of Gods works for our benefit are exemplified through the happenings of Easter.....Maundy Thursday, Good Friday, the "Crucifixion" and the "Resurrection".....all of the 66 books of the Bible are the narrative to explain how much God loves us.....each and every-one!

18 may (you) have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, 19 and to know this love that surpasses knowledge---that you may be filled to the measure of all the fullness of God. EPHESIANS 3:18-20 NIV

As we continue our "Adventure of Life", continue to seek out wisdom and exercise understanding.....our God instructs not to worry, to have faith in His grace, mercy and providence.....34 Therefore do not worry about tomorrow, for tomorrow will worry about itself, each day has enough trouble of it's own. MATTHEW 6:34 NIV

May God Bless you, your family, your home and "Our Country"

Hope to see you all at this month's meeting!

Be well and God Bless!

From the school visit coordinator:

See Jack for the schedule of School visits. We want you there with us!

If you have not yet visited a school for a session, now is your chance. Tell your sea stories and answer questions about your boat life.

The XO's Missing Door by Michael G. Price, MMC(SS), SSBN-623B

I have to admit I cannot take credit for this. Circa 1978 SSBN-623B Nathan Hale. Somewhere in the North Atlantic.

Midget decided it would be a really cool idea to steal the XO's stateroom door. It was about 7 weeks into the patrol and we were getting pretty bored. Field day was going to start in about an hour and the XO had gone to radio to review the traffic. Midget knew his pattern. He would be there about 30 minutes.

Accompanied by two other "A gang" accomplices, the deed was done. They carried the door right through the control room and aft into the missile house. Everybody on the boat including the CO (I suspect) knew where the door was. Just not the XO.

For the next several weeks the XO did very personal field day inspections. The door was never found. We turned it over to the gold crew when they came aboard and on our next patrol it was safely returned.

XO, if you read this stuff, it was hidden outboard of the missile house berthing. You know, behind the nuke lab. Game set and match.

The Captain's Shoes! by Thomas F. Combs-Francis

(...while on board the USS FLORIDA SSBN 728)

During sea trials before commissioning, the DPER's computers went down hard. All the DS's were trying to get the system back up and we were rolling around on the surface real bad. I had a memory module in my arms getting ready to install it when the pork lunch we had an hour before started retracing its steps.

Not wanting to do the computer in, I threw the memory module to one of fellow DS's and put my hands to mouth to try to hold back lunch. Capt. Powell was standing next to me and as I tried to stop a small hole developed between my fingers. The Captain's shoes saved the deck from getting messed up and I ran the the nearest head.

After getting cleaned up I was setting outside DPER's and Capt. Powell came out of his stateroom and commented on my color of green and how well I looked with it. I request that he take one of the 45's and end my suffering but he declined.

I still remember all the ribbing that I took from that day on

Meeting Dinners

Our dinners prior to our meetings are usually “pot-luck”. Our ladies, who take really good care of us and support our efforts as well as their own projects, put together a great meal.

It is pot luck, and everyone that attends the dinner should contribute something, whether home-made or store-bought.

The meal also is one of our main fund raisers. A seven dollar donation is suggested for each person eating. From that seven dollars, a dollar goes to the USSVI Scholarship Fund. The remainder is divided between the Base membership and the SubVettes membership.

All in all, the money is put to good use supporting the activities of both groups. The meals are always great, and there are usually plenty for those who wants seconds.

So please, if you are going to attend the meal, please bring something and please contribute to our causes. You’re not going to get that great of deal at any restaurant. And you’ll be supporting great causes.

The deadline for the Periscope will be the 15th of next month. Thanks!

MEMORIAL

For our Carolina Piedmont Base Submariners who have left on their Eternal Patrol, taken gently into our Lords mighty everlasting embrace.

Heavenly Father: we pray to you for those on the perilous ocean that you will embrace them with your mighty protection and grant them success in all their rightful undertakings. Grant them in all hours of need to see that they have a God who remembers them, and grant them grace in the hour of danger to commit their souls into your hands. O Lord Jesus Christ, who can rebuke the storm and bring it to silence, and lay the roaring waves to rest, show them who call to you out of the deep that you hear their prayer and will save them. And finally bring us all home to your safe port where we can be with you to close of the age. Amen.
