## USSVI Creed

Nearly 4,000 submariners have sacrificed their lives on the altar of American freedoms. It is the primary mission of USSVI to perpetuate their memory through memorials and "tolling the boats" memorial services. Per the USSVI Constitution Article III the Purpose/Creed consists of three sections:

## Sections of the USSVI Creed

### Creed:

**Section 1:** To perpetuate the memory of our shipmates who gave their lives in the pursuit of their duties while serving their country. That their dedication, deeds and supreme sacrifice be a constant source of motivation toward greater accomplishments. Pledge loyalty and patriotism to the United States of America and its Constitution.

### Camaraderie:

**Section 2:** In addition to perpetuating the memory of departed shipmates, USSVI provides a way for all Submariners to gather for mutual benefit and enjoyment. The common heritage as Submariners is strengthened by camaraderie. USSVI supports a strong United States Submarine Force.

### Perpetual Remembrance:

**Section 3:** The organization engages in various projects and deeds that bring about the perpetual remembrance of those shipmates who have given the supreme sacrifice. USSVI also endeavors to educate all third parties it comes in contact with about the services United States submariners performed and how the sacrifices of lost shipmates made possible the freedom and lifestyle American.

## CO's Stateroom— Carolina Piedmont Base Commander Rick Petitt

### Commander's Stateroom August 2017

Can't believe another summer is almost gone. Jack, Steve and I went to Victory Junction for their annual NAS-CARNIVAL event. This was a very enjoyable event and the kids were great. It makes us all

feel good that we can contribute to a fun event for these very special children. With all the anger that is going on around us today, it is refreshing to have children in the worst conditions enjoying life and making everyone around them feel special. I certainly left with a lot of happiness and hope in my heart that night.

The National Convention is next on our list and is coming up the end of August. I can't wait to attend and enjoy a week of comradery with my submarine friends in Florida. If you haven't signed up, please do so soon and join us in Orlando for a great time. I'll buy the first round.

Finally we need all of you to help us participate in local activities. If you have an event or activity coming up in the next few months, let us know so we can attend and

spread the word about our USSVI organization.

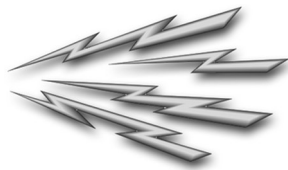

After this meeting we will have our annual picnic at Raymond Zieverinks home again. Don't miss this event. Lots of great food and fun and it will mark the end of another great summer.

Enjoy the rest of August and I'll see you all Saturday.

Rick Petitt

Congratulations! we have almost made it through a hot summer. Hope you all are getting ready for our annual meeting/picnic at Raymond and Linda Zieverinks home the 23rd of September, there will be no meeting at the VFW in September. Raymond's address is 3003 Lakeland Dr. Rock Hill SC, more details as we get closer to the date. The base had our second visit to Victory Junction this month and one is schedule for the fall, if you are interested in attending this visit, please let me know. We conducted an Eagle Scout presentation Sun-

day the 13th where we honored 2 Eagle Scouts, we presented them with USSVI certificates and patches, this has been a program with continued success for honoring these fine scouts, once again if you would like to be part of this team let me know. We have five members attending the National Convention, I would have thought we would have a better showing of support for this event since it is within driving range, don't know when the next one will be this close. Hope to see you all at the next meeting 26 August at the Ft Mill VFW meal served at 1730 meeting 1830.

### Chief of the Base

### From The COB—Joel Sparnon MM2(SS)

Welcome to the dog days of summer, I hope everyone is enjoying the fine invention by Willis Carrier and staying cool in this summer heat.

Its picnic time of the year again, I want to thank Raymond Zieverink for stepping up again this year and hosting our annual get together in September.

Let's make sure this year

we all stay hydrated in the heat, I know some of you are new to the south, just remember that September can be as hot as August some years so staying hydrated in the heat is important.

Now you know what's coming! Request for volunteers for the COB's working party to assist in the set up and tear down at Raymond's house.

Currently we have 3 categories we need help with.

Tent and Table set up

Parking guidance

Tear down (Tents down, Chairs and table tear down)

Remember the more volunteers we get the faster and easier these tasks are and less of a burden on just one group of folks.

Any volunteers please see me at the meeting in August or call me and let me know (704)779-0730. And in true COB fashion don't make me come looking for help, and any assistance is appreciated.

Remember to bring your own lawn chairs,

Stay safe out there and I will see you all at the meeting.

Remember recruit, recruit, recruit new members.

## Chaplain's Corner, Tom Hulme

As always, time is going way too fast! It seems like just a couple of days ago I was putting the thoughts together for July's Chaplains Corner, and here I am doing the thoughts for August's offering of God's Word.

We all have demanding schedules and combine those with life's situations, we sometimes feel like we're being stretched in too many directions at the same time.....present company included, the harder you try to remove demands, commitments and spur of the moment things that need attention, the more that seem to continue to play pile on to see how much we can take!

I have found the best antidote for these times when I feel like I'm ready to explode, is to find some place quite, take a deep

breath and talk with God.....get things back in to perspective and recognize the Blessings that Our Good Lord has bestowed us with, and how many people are not able to handle the simplest demand on their abilities, knowledge, time and compassion. Then I feel refreshed in the fact that God has just told me to suck it up and "Turn-To"!!

So, when we feel over whelmed let's try to reflect on these two very powerful points of God's Word:

Jesus the Great High Priest

14 Therefore, since we have a great high priest who has ascended into heaven,[a] Jesus the Son of God, let us hold firmly to the faith we profess. 15 For we do not have a high priest who is unable to empathize with our weaknesses, but we have one who has been tempted in every way, just as we are—yet he did not sin. 16 Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need. Hebrews 4:14-4:16 NIV

35 So do not throw away your confidence; it will be richly rewarded.

36 You need to persevere so that when you have done the will of God, you will receive what he has promised. 37 For,

"In just a little while, he who is coming will come and will not delay."[a]

38 And,

"But my righteous[b] one will live by faith.

And I take no pleasure in the one who shrinks back."[c]

39 But we do not belong to those who shrink back and are destroyed, but to those who have faith and are saved. Hebrews 10:35 – 10:39 NIV

May God Bless you, your family, your home and "Our Country"

Hope to see you all at this month's meeting!

Be well and God Bless!

#### **OLD BUSINESS**

None.

#### **NEW BUSINESS**

##### **September Picnic Preparation**

In preparation for the base picnic at the Zieverink's in September, a motion was made to allocate up to \$300 to Raymond to begin preparations for the event. The money will be to cover the rental of a porta-potty, purchase of soft drinks and some food items. The motion was seconded and approved.

#### **GOOD OF THE ORDER**

##### **Bilge Rats Update**

Dale Moses reported that in preparation for their 7th season, the Bilge Rats met today to go over the Heehaw music. At next practice session they will conduct a read-thru of the scripts and continue to work on the music.

It is anticipated their dress-rehearsal performance will be after November's base meeting at the VFW.

As always, anyone interested in participating please contact Moe to volunteer.

##### **Bilge Rats Karaoke**

Moe also announced the formation of a Bilge Rat karaoke group to travel to area assisted living homes with a projector and karaoke unit to entertain participants with fun times to sing songs familiar to them. More information on this opportunity to follow.

##### **National Convention**

The National Convention will be held in Kissimmee, FL September 1 thru 6, 2017. To date 183 persons have signed up. For anyone who is planning on going who hasn't signed up yet you will lose the block rate and free parking pass as of July 31st.

##### **Annual Dues**

Everyone is reminded that annual base/national dues for 2018 can be given to our Base Treasurer Raymond Zieverink at any time up to December 31st, however – why wait – take care of it the sooner the better.

A total of \$35 is required per year to cover both base and national dues. Reductions can be had if you renew for 3-years or more of a reduction if you renew for a 5-year period.

### **Other Base Opportunities**

Flag Etiquette Courses will be starting in the fall as we begin the new school year.

The number of Eagle Scout Presentations are increasingly occurring as the word spreads through the troops of our special recognition of new Eagle Scouts. More volunteers to give presentations are needed especially in South Carolina. Moe stated he will assist on presentations.

Reminder, if any pictures are taken at any of these presentations, please forward them to both our Piedmont Periscope editor Robert Schilke AND to Dale Moses for inclusion in the NC Subvets All Clear newsletter.

### **OPEN IMC**

September Picnic – make plans to attend our annual picnic on September 23rd which also doubles as our September base meeting. Same as last year, the picnic will be held at the Zieverink's home in Rock Hill. More information to follow at our next meeting.

Lee Hickerson honored fellow serviceman Cecil Bailey Young who passed away July 16th 2017 at the age of 92. Lee stated that Cecil volunteered at the age of 17 immediately after the attack on Pearl Harbor. Cecil served as a signalman during World War II.

Stephen White informed us that a magazine simply called "Military" can be obtained free of charge by signing up on line for a free subscription. Go to <http://milmag.com/> to sign-up. Military is a monthly history publication written by the men and women who were there; in essence an oral account in print in the words of those who served.

Steve Bell reports that he currently has the base library at his home and anyone interested in checking out books from the library can contact him.

Stars – John Brough informed us he continues to have many opportunities to pass out many stars thru the USO at Charlotte-Douglas Airport. Zeke Rybczyk reported he gives out stars at funerals as part of his service thru the Gaston County Honor Guard. Rick reports he and Cindy have multiple retired flags in their home and Cindy is our primary star packager. Cindy and her helpers have packaged 68,000 stars to date. WOW! A Bravo Zulu goes out to the Petitt's for their production of the star packages and to our members who all share these tributes with veterans who cross their paths.

### **BINNACLE LIST**

Members were reminded about our fellow shipmates or spouses who are not feeling well or are under other medical related conditions. Any efforts made to visit or contact them would most certainly be appreciated:

If you have not yet visited a school for a session, now is your chance. Tell your sea stories and answer questions about your boat life.

# Piedmont Funnies Page

I was the Sonar Division LCPO on board the USS Jacksonville in 1987. We got a new Captain and he was reviewing our Equipment Status Log (ESL) and he looked up at me and said, "Chief, I see the word "bad" written in on almost every one of your ESL entries. I don't like the word bad. I want you to put in something a little more descriptive."

I nodded and told the Captain that I would take care of it. Then I took the ESL back to Sonar and gave it to my Leading First, with the instructions to cross out "bad" wherever it appeared and replace it with "naughty".

I could hear the Captain laughing all the way down in the Chief's Quarters!

Heard aboard the USS Providence (SSN-719) during a night transit. Circa about 1987

Bridge, Quartermaster.... "what is that star in the southern sky?"

Quartermaster, Bridge...."I believe that is the planet Uranus.

30 second pause.

Quartermaster, Bridge....."Sir, upon further review of the celestial navigation picture, we've determined that "star" is far to small to be Uranus.

- Dennis M. Tobin (STS2/SS/DV), USS Providence (SSN-719)

USS James Madison (SSBN 627) Gold - 1972. Picture it - State five seas and proceeding to periscope depth during dinnertime. The mess cook was delivering a refilled bowl of corn to the Chief's table, and had just arrived at the table when the boat lurched to starboard. The refilled bowl dumped its steaming contents onto the Master Chief's lap "Oops. I guess that's Corn on the COB!" said the mess cook.

Another first flight 688 pulling into Guam. Unknown boat...

# Piedmont Funnies Page

USS James Madison (SSBN 627) Gold - 1973. I was one of the junior ETs in the Navigation Center. One of the other ETs had brought a wire-guided remote control race car on patrol with him, and I was driving it around the Nav Center, one day. I finally (after many attempts) negotiated the corner from the computer aisle to IC Alley, and was feeling good about making the straight-away into the Attack Center. The LtJG on the Conn heard the whining of the motor as I approached the periscope stand and leaned out to see what the noise was. "Smith, get that car out of control!" he shouted. Just then, I veered to the right and collided with the Torpedo Fire Control Panel, then backed up and collided with the ECM Bay equipment. I threw up my hands in surrender and announced, "It \*IS\* out of control, Sir!"

USS James K. Polk (SSBN 645) Gold - 1978. "Joe Cool" on the helm, ordered course of 090 degrees. His thoughts were on his Honey, back home, and the next thing he knew he was receiving a right rudder command from the Conn, "Come right, make your course 270." After a few seconds of awakening and assessing the situation, we heard, "You mean you want me to turn 345 degrees to the right, Sir?" There was laughter in the Control Room. "Helm, mark your head!" the Conn shouted. "Mark my head, aye, Sir - 285, coming right to 270, Sir," was his report. "Helm, shift your rudder!" the Conn said, holding his head in his hands as though it would explode at any minute.

USS James K. Polk (SSBN 645) Gold - 1979. I was Chief of the Watch with an Under-Instruction watch stander. The boat was at periscope depth, and I had lost track of the actions of my UI, but the first indication of trouble was the fully extended, trembling arms of the Helmsman/Planesman. I looked at the BCP and found From Depth Control and From Forward Trim. I discretely directed my UI to secure Forward Trim. Then I directed him to secure Depth Control. Next, I directed him to wait until we returned from PD, then ask permission to pump DC to FT to the mark. He did exactly as I directed, and about five minutes after his commencement of pumping, the Diving Officer finally realized it was an unusual request, and asked why he was pumping. "While we were at PD," my UI cheerily replied, "I emptied Forward Trim to Depth Control to see if your Helmsman/Planesman was on the ball." Before the laughter started, I add, to my UI but loudly enough for the Control party to hear, "See, I told you he wouldn't notice!"

Either a Sea Wolf class or a Virginia Class pulling into Guam.

Editor's note: Pictures are in Honor of and a reminder that our ship-mates are in harms way protecting us from North Korean aggression.

## Meeting Dinners

Our dinners prior to our meetings are usually “pot-luck”. Our ladies, who take really good care of us and support our efforts as well as their own projects, put together a great meal.

It is pot luck, and everyone that attends the dinner should contribute something, whether home-made or store-bought.

The meal also is one of our main fund raisers. A seven dollar donation is suggested for each person eating. From that seven dollars, a dollar goes to the USSVI Scholarship Fund. The remainder is divided between the Base membership and the SubVettes membership.

All in all, the money is put to good use supporting the activities of both groups. The meals are always great, and there are usually plenty for those who wants seconds.

So please, if you are going to attend the meal, please bring something and please contribute to our causes. You’re not going to get that great of deal at any restaurant. And you’ll be supporting great causes.
