USSVI Creed

Nearly 4,000 submariners have sacrificed their lives on the altar of American freedoms. It is the primary mission of USSVI to perpetuate their memory through memorials and "tolling the boats" memorial services. Per the USSVI Constitution Article III the Purpose/Creed consists of three sections:

Sections of the USSVI Creed

Creed:

Section 1: To perpetuate the memory of our shipmates who gave their lives in the pursuit of their duties while serving their country. That their dedication, deeds and supreme sacrifice be a constant source of motivation toward greater accomplishments. Pledge loyalty and patriotism to the United States of America and its Constitution.

Camaraderie

Section 2: In addition to perpetuating the memory of departed shipmates, USSVI provides a way for all Submariners to gather for mutual benefit and enjoyment. The common heritage as Submariners is strengthened by camaraderie. USSVI supports a strong United States Submarine Force.

Perpetual remembrance

Section 3: The organization engages in various projects and deeds that bring about the perpetual remembrance of those shipmates who have given the supreme sacrifice. USSVI also endeavors to educate all third parties it comes in contact with about the services United States submariners performed and how the sacrifices of lost shipmates made possible the freedom and lifestyle Americans enjoy today.

Over the next several months we have one special event after another. We start by having a guest speaker at our October meeting. Dave Campbell, our regional director will attend and speak at our meeting. On October 28th, we will participate in the Levine Children's Hospital Halloween party.

The November meeting will be our Thanksgiving feast, featuring my deep-fried turkeys. It was a hit last year so make sure you don't miss out. Also, the first weekend in November is the World War II Submarine Veterans Memorial at Kings Bay. This is always a great celebration and if you only attend a couple of events a year, this is one you shouldn't miss. Also in November, our country will elect a new President. The results will be interesting to say the least and a major topic of discussion for a very long time.

In December we begin preparing for Christmas and other holiday celebrations. While I am thinking about it, if you haven't paid your dues by December, that would be a great time to take care of that.

Our Subvettes organization has been given a reprieve and will continue under the leadership of Glenna Hubble as National Commander and Cindy Petitt as National Treasurer/Secretary. Over the next few months, they will be

very busy putting their organization back on track.

We are still trying to find someone willing to tow our torpedo float and with a truck large enough to do the job. If we find someone to do this we can plan to get back into the many parades in our area for 2017. If anyone wants to volunteer or has any recommendations, please let us know.

Welcome to the fall weather. I want to start by thanking Raymond and Linda Zieverink for the fantastic job they did for hosting our annual picnic, I believe all enjoyed the day. We had a raffle of one Richard Petty signed K4K cap and the latest book from Rick Campbell to help fill the K4K funds and raised \$165.00, thank you for your donations. We were scheduled to have a visit to Victory Junction on the 9th of October but event was cancelled due to Hurricane Matthew, we will try to fit it in that best fits our schedule. We are sched-

uled to present our K4K program at the Levine Children's Hospital October 28th at 2 PM. OK now lets get to annual dues, both base and national is due by Dec 31, we still have several who have not brought their dues up to date, as a reminder, National is \$25 per year with 3 years at \$70 and 5 years is \$115, base dues are still \$10 per year and \$27.50 for 3 years, please get this into Raymond Zieverink, our keeper of the coin ASAP, if you mail it, his address is 3003 Lakeland Dr. Rock Hill, SC 29730-9560. If National dues is not paid, you will be dropped from the National roster, if base dues is not paid you will be dropped from our base roster and put into the MAL national file, so please get it in ASAP.

GOOD OF THE ORDER

Subvettes Organization Update. Base Commander Rick Pettit updated us on the disbanding of the ladies

group. He stated that this is being looked into and more will be published at the next meeting.

Updates: Flag Etiquette, Bilge Rats. Moe reported that he will be presenting a program at the Stallings Elementary School for approximately 100 students. Next on the list of schools is the Walter Bickett in Monroe. We need more volunteers to help with the Flag Etiquette presentations. Anyone who is interested please contact Moe. The Flag Etiquette program is targeting fourth and fifth grade classes. Moe also addressed the Bilge Rats. Again, we need more volunteers to help make this a successful program. The 2017 season is now in dress rehearsal but more individuals are needed.

Update: Levine Visit for Halloween. Base Commander Rick Pettit informed us that the hospital has given us permission to join them in the Atrium at the hospital for a Halloween party. All are encouraged to attend.

Update: Jack is setting up a visit to the Jeff Gordon hospital. This is a small but successful hospital. Anyone interested in going please contact Jack. Jack will be providing more information in the near future.

Update: Volunteers are needed for submarine stories for high schools. If you are interested please volunteer. Side note: Not sure who made the statement but it seems like only a small percentage of our group is volunteering. A lot is being done by a small group of people. **WE NEED MORE VOLUNTEERS.**

Wilmington Submarine Memorial

From The COB—Joel Sparnon MM2(SS)

I know I have been MIA from my newsletter article in the recent past, all I can say is sometimes life gets in the way, and we all can relate to that.

Secondly I wanted to send out a big thank you to the COB working party folks that helped put up and take down the items for the picnic at Raymond's house. It was greatly appreciated and I think it went very smoothly. I cannot speak for everyone but it sure looked like a good time was had by all. A special huge thank you to Raymond and Linda Zieverink for hosting this year's picnic.

Over the Labor Day weekend my wife Karen and I took all our kids to Kure Beach just outside Wilmington for a

nice relaxing weekend and not being one to ever pass up an opportunity to get some time around anything Navy. (Even though it is a giant target) We took an afternoon and went to the Battleship North Carolina Museum ship. I had never taken time to visit the lost boats and eternal patrol memorial stone that is on the property of the battleship during my many visits to the battleship. The stone is near the edge of the water and is in a lovely spot very calming location, far enough away from the main entrance that it is not caught up in the hustle and bustle of tourists coming and going. I have included with this article some picture of the stone, and if you get to Wilmington take a minute and stop and check it out it is well worth the time.

Stay safe out there and I will see you all at the meeting.

Remember recruit, recruit, recruit new members !

The Submariner's Prayer

Almighty, Everlasting
God, the Protector of all
those who put their trust
in Thee: hear our prayers in
behalf
of Thy servants who sail
their vessels beneath the
seas.

We beseech Thee to keep in

Thy sustaining care all
who are in submarines, that
they may be delivered
from the hidden dangers of
the deep.

Grant them courage, and a
devotion to fulfill their du-
ties, that they may better
serve Thee and their native
land.

Though acquainted with
the depths of the ocean,
deliver them from the
depths of despair and the
dark hours of the absence
of friendliness and grant
them a good ship's spirit.

Bless all their kindred and
loved ones from whom they
are separated.

When they surface their
ships, may they praise Thee
for Thou art there as well
as in the deep.

Fill them with Thy Spirit
that they may be sure in
their reckonings,
unwavering in duty, high in
purpose, and upholding the

honor of their nation.

Amen

Psalms for Sailors

The Lord is my pilot, I shall not
drift.
He guides me across the dark
waters.
He steers me through deep
channels.
He keeps my log.
Yea, though I sail 'mid the
thunders
and tempest of life,
I shall dread no anger, for He is
with me;
His love and His care, shelter
me.
He prepares a quiet harbor be-
fore me.
He anoints the waves with oil
My ship rides calmly.
Surely sunlight and starlight
shall guide me on the voyage I
take,
And I will rest in the heaven's
port forever.

Bilge Rat Productions

Become a “Bilge Rat”!

The “Bilge Rats”, as they have become to be known are looking for new volunteers to join there group of “traveling performers”. These are the Base members and Subvettes who travel to the various Assisted Living Homes around the area and put-on a “Halfway Night Show” for the local residents.

If you can sing, play an instrument, or just lip-sync like and want to have a good time like the rest of us, then you need to join in the fun. It really is rewarding. This will start our fifth season. We do skits, sing-alongs, anything to get the “old folk” to have a good time and bring some much needed smiles.

Rehearsal for our “Ned Sullivan Show”, an Ed Sullivan Show parody is now being held. If you and/or your spouse are interested, please contact Moe(SS) at 980-422-2749 in the late afternoon or early evenings. Or e-mail Moe (SS) at donutdad@att.net and he will return your call/e-mail.

The USS NAUTILUS made history by cruising submerged from the pacific to the Atlantic Ocean, passing under the North Pole at 11:15 p.m. EDST on August 3, 1958.

USS SKATE and USS SEADRAGON, after affecting a historic rendezvous under the ice, surfaced together at the North Pole through an opening in the ice on August 1962

The USS SKATE (SSN 578) was the first vessel ever to surface at the North Pole, when on March 17, 1959 she surfaced there to conduct memorial services for the renowned Arctic explorer Sir Hubert Wilkins.

United States Submarines destroyed a total of 1,314 Japanese ships during World War II, including one battleship, eight aircraft carriers, fifteen cruisers, forty-two destroyers, and twenty-three submarines. Against this score, fifty-two U.S. Submarines were lost.

The USS SKIPJACK was the first submarine designed from the keel up for top underwater performance using nuclear power. An earlier SKIPJACK was the first U.S. submarine to cross the Atlantic ocean under her own power (Newport, Rhode Island to Ponta Delgada, Azores, in 1917).

A real Fisherman by Ed Meushaw

A man was on the water for his weekly fishing trip. He began his day with an 8-pound bass on the first cast and a 7-pounder on the second. On the third cast he had just caught his first ever bass over 11 pounds when his cell phone rang.

It was a doctor notifying him that his wife had just been in a terrible accident and was in critical condition and in the ICU. The man told the doctor to inform his wife where he was, and that he'd be there as soon as possible. As he hung up he realized he was leaving what was shaping up to be his best day ever on the water.

He decided to get in a couple of more casts before heading to the hospital. He ended up fishing the rest of the morning, finishing his trip with a stringer like he'd never seen, with 3 bass over 10 pounds. He was jubilant.

Then he remembered his wife. Feeling guilty, he dashed to the hospital. He saw the doctor in the corridor and asked about his wife's condition.

The doctor glared at him and shouted, "You went ahead and finished your fishing trip didn't you! I hope you're proud of yourself! While you were out for the past four hours enjoying yourself on the pond, your wife has been anguishing in the ICU! It's just as well you went ahead and finished, because it will be more than likely the last fishing trip you ever take! For the rest of her life she will require 'round the clock care. And you'll be her care giver forever!"

The man was feeling so guilty he broke down and sobbed.

The doctor then chuckled and said, "I'm just pulling your leg. She's dead. What'd you catch?"

Fishing or Sex????

Four married guys go fishing. After an hour, the following conversation took place:

First guy: "You have no idea what I had to do to be able to come out fishing this weekend. I had to promise my wife that I will paint every room in the house next weekend.

Second guy: "That's nothing, I had to promise my wife that I'll build her a new deck for the pool.

Third guy: "Man, you both have it easy! I had to promise my wife that I'll remodel the kitchen for her."

They continue to fish when they realized the fourth guy has not said a word. So they asked him. "You haven't said anything about what you had to do to be able to come fishing this weekend. What's the deal?"

Fourth guy: "I just set my alarm for 5:30 AM. When it went off, I shut off the alarm, gave the wife a nudge and said, "Fishing or Sex" and she said, "Wear a sweater."

Meeting Dinners

Our dinners prior to our meetings are usually “pot-luck”. Our ladies, who take really good care of us and support our efforts as well as their own projects, put together a great meal.

It is pot luck, and everyone that attends the dinner should contribute something, whether home-made or store-bought.

The meal also is one of our main fund raisers. A seven dollar donation is suggested for each person eating. From that seven dollars, a dollar goes to the USSVI Scholarship Fund. A dollar goes to the VFW base. The remainder is divided between the Base treasury and the SubVettes treasury.

All in all, the money is put to good use supporting the activities of both groups. The meals are always great, and there are usually plenty for those who wants seconds.

So please, if you are going to attend the meal, please bring something and please contribute to our causes. You’re not going to get that great of deal at any restaurant. And you’ll be supporting great causes.

MEMORIAL

For our Carolina Piedmont Base Submariners who have left on their Eternal Patrol, taken gently into our Lords mighty everlasting embrace.

Heavenly Father: we pray to you for those on the perilous ocean that you will embrace them with your mighty protection and grant them success in all their rightful undertakings. Grant them in all hours of need to see that they have a God who remembers them, and grant them grace in the hour of danger to commit their souls into your hands. O Lord Jesus Christ, who can rebuke the storm and bring it to silence, and lay the roaring waves to rest, show them who call to you out of the deep that you hear their prayer and will save them. And finally bring us all home to your safe port where we can be with you to close of the age. Amen.
